*Boat tours can be a full day, starting from Barreterre, with several stops (iguana island, swim with sharks, celebrity homes, thunderbolt grotto, pigs etc). This tour involves a lot of high speed cruising and may be a bit gruelling for the elderly, pregnant women or small children. Tours can also be more localized, starting from Browns Marine, usually involving a harbor tour between the main island and Stocking Island where there's lots to see (sea turtles, starfish beach, stocking island etc) and can be a full or half day.
